GMU offers an IB-authorized degree program

Earn your Master's in Education and an Educator Certificate from the IB

As a partnering educational provider with the International Baccalaureate, GMU is proud to offer rigorous coursework that prepares teachers to earn an IB educator certificate in teaching and learning. Our program allows teachers in PYP, MYP, a DP settings to develop a strong understanding of the principles that constitute IB programmes worldwide.

Benefits for the teacher and school

Marketing advantage to the school for the high quality preparation of their teachers.

Gives a competitive advantage by saving thousands of dollars on mandatory introductory IB training (in other words teachers enrolled with our program are exempt from all Level I training a substantial cost savings to the school)

In-depth preparation for be a practicing IB teacher across all domains and IB standards

In-depth preparation for IB assessments and planning for the continuum of learners

Up-to-date research on IB for classroom practitioners and leaders

In-depth preparation for the development of international perspectives and inquiry learning
